Instructions

Preheat your oven to 350° and generously grease your Bundt pan or baking dish. Cut each biscuits in quarters. Mix the cinnamon and granulated sugar together; then add in the biscuits. Shake to coat evenly and arrange in baking dish. If you are adding walnuts and/or raisins you would now layer them in with the biscuits. Sprinkle any remaining sugar over the biscuits. In a small separate bowl mix the brown sugar and butter together and pour over biscuit pieces. Pop them in the oven for about 30-40 minutes Once you remove them from the oven and allow 5 minute to cool. Flip your pan upside down on serving plate and remove baking pan. Simply pull a part to serve and enjoy!!!
